Clover Go

Take your business everywhere

Run your business wherever your customers are with the Clover® Go mobile Point-of-Sale (POS) system. Clover Go lets your customers pay the way they want to – and enables you to track your sales in real-time, from anywhere.

Never miss a sale

Accept all major credit and debit cards, contactless payments, checks and cash with your mobile device – with or without an internet connection.

Enjoy more flexibility

Run your business and track your sales in real-time from anywhere.

Be safe and secure

Control access with roles and permissions, fingerprint login and two-factor authentication. All transactions are encrypted to help protect your customers' data and your business.

Clover Go consists of a free app and an optional reader and dock that connects to the Clover Go app on your mobile device.

Clover Go app – Allows you to securely accept payments, track sales, and run your business on our iOS or Android mobile devices.

Clover Go reader – Add this portable reader for insert or contactless payments with NFC-chip-enabled cards and mobile wallets such as Apple Pay® and Google Pay®. The Clover Go reader is small and lightweight measuring 3.17" x 2.21" x 0.46" and weighs 2.3oz.

Clover Go Dock – Mount your Go reader to the new Clover Go Dock to accept card payments securely and conveniently on the countertop, Measures 3.5" x 3.2" x 1.5" and weighs 7.5oz.

*A Clover merchant account is required to use Clover Go. Don't have a Clover merchant account? Contact your Clover Business Consultant.

clover

Accept payments anywhere

Take payments anywhere with your mobile device and an optional compact Go reader and Go Dock.

Tap-to-Pay on iPhone

Accept in-person, contactless payments using built-in features of your iPhone running the Clover Go app. It's easy, secure and private – and convenient for your customers.

Sync with your Clover dashboard and Go devices

Stay on top of your business from anywhere, with everything synched to your Clover Dashboard.

View all transactions in the Clover Go app

See your entire transaction history – including open, pending and completed transactions – whether they're generated from your Clover Go on your mobile devices, Clover Go reader or another Clover device.
